

LAKE AUSTIN  
SPA RESORT

## CELLPHONE & SMOKING POLICY

As a courtesy to other guests, we ask that you silence cell phones and other devices while on property and request permission before filming or photographing any class or program. We allow cell phones to be available—and encourage you to share photos of your experience with us—but not heard. Thank you for understanding and unplugging with us. @lakeaustinspa | #lakeaustinspa

Smoking is prohibited in all areas of the Spa and Resort, except a designated area on the property that is comfortable and away from other guests. The discovery area will be the only area that can be used for smoking. Please note this is a change in the policy; we no longer allow guests to smoke in or near the rooms. Please refer to our smoking policy online for more information.
