CELLPHONE & SMOKING POLICY

_____ We do enforce a no cell phone policy while on the property, we allow them to be available but not heard, thank you for understanding and unplugging with us.

_____ Smoking is prohibited in all areas of the Spa and Resort, except a designated area on the property that is comfortable and away from other guests. The discovery area will be the only area that can be used for smoking. Please note this is a change in the policy; we no longer allow guests to smoke in or near the rooms. Please refer to our smoking policy online for more information.
